

This 3-day workshop will provide educators an opportunity to learn about Gandhian approaches to education. It will be centred on engaging with other educators who have developed and implemented their own approaches to education for peace. Workshop participants will also have the opportunity to develop their own projects and submit these proposals to a mentorship program. Successful mentorship applicants will receive seed money and a mentor for up to 18 months to help them implement their own projects.

PEDAGOGY OF AHIMSA

JULY 3-6, 2024 EDMONTON

A workshop for
peace and social
justice minded
educators

I see a world being slowly transformed into a wilderness; I hear the approaching thunder that, one day, will destroy us too. I feel the suffering of millions. And yet when I look up at the sky I somehow feel that everything will change for the better, that this cruelty shall end, that peace and tranquility will return once more.

Anne Frank
