# PEDAGOGY OF AHIMSA

July 2-4, 2025 | Edmonton, Alberta

This 3-day workshop will provide educators an opportunity to learn about Gandhian approaches to education. It will be centred on engaging with other educators who have developed and implemented their own approaches to education for peace. Workshop participants will also have the opportunity to develop their own projects and submit these proposals to a mentorship program. Successful mentorship applications will receive seed money and a mentor for up to 18 months to help them implement their own projects.

I see a world being slowly transformed  
into a wilderness; I hear the  
approaching thunder that, one day, will  
destroy us too. I feel the suffering of  
millions. And yet when I look up at the  
sky I somehow feel that everything will  
change for the better, that this cruelty  
shall end, that peace and tranquility  
will return once more.  
~Anne Frank
