PEDAGOGY OF AHIMSA

July 6-8, 2026 | Edmonton, Alberta
www.IGINPCanada.org

This 3-day workshop will provide educators an opportunity to learn about Gandhian approaches to education. It will be centred on engaging with other educators who have developed and implemented their own approaches to education for peace. Workshop participants will also have the opportunity to develop their own projects and submit these proposals to a mentorship program. Successful mentorship applications will receive seed money and a mentor for up to 18 months to help them implement their own projects.

I see a world being slowly transformed
into a wilderness; I hear the
approaching thunder that, one day, will
destroy us too. I feel the suffering of
millions. And yet when I look up at the
sky I somehow feel that everything will
change for the better, that this cruelty
shall end, that peace and tranquility
will return once more.
~Anne Frank

COST

We believe that the workshop is worth \$1,000, but we ask participants to give what they can afford. All money collected will go toward funding mentorships.
